

# Ditec Facil

Simple and versatile, for swing gates with doors up to 2.3 metres  
For heavy duty

Ditec Facil has been designed to be simple to install and easy to connect, being able use many various types of motor it is highly practical.

The ABS guard ensures good resistance against the weather and boasts high quality and elegant finishes, simple and clean lines, and can blend perfectly to any type of entrance.

## No problem in case of power failure

The key operated, easily accessible release door is built into the front of the cast aluminium casing **01**.

The Deb 04 device, which is easily operated with a cord, allows the automation to be remotely controlled without opening the door.

## Carefully designed with safety in mind

The shape of the articulated arm and its connection to the casing **02** have been designed to avoid any shearing problems.

Ditec Facil is fitted with built in and adjustable open-close mechanical stops.

A limit switch unit can be installed to supply visual indicators or to stop the wing.

## Ready and simple to install

Ditec Facil features a built-in electronic panel which can easily be removed, leading to obvious advantages during the installation stage as well as when performing any maintenance on the automation.

After removing the guard, the see-through control panel enclosure can be taken out to reveal the controls.
